Accreditation

The Bulgarian Presidency is utilizing an online accreditation system for all meetings. Please request accreditation for the event through a designated **Delegate Accreditation Officer (DAO)** of your **Chamber/Parliament**. He/She will be responsible for your successful registration. Please, send **the name**, **e-mail address** and **phone number** of your DAO to: **georgi.tenev@parliament.bg**

Your DAO will receive a link to the accreditation system via email, where he/she can follow the accreditation status of your delegation. The DAO can view the accreditation status in the system. Once the designate DAO register the delegation he/she will not be able to change the submitted information due to security reasons. When the process is completed, accredited participants will be issued with a badge that will grant them access to the venue hosting the relevant events. Please note that **participants with no accreditation badge will not be admitted** to the event premises. Accreditation is **personal** and **non-transferable**. Booking of accommodation at the recommended by the Presidency hotels could also take place through the accreditation system.
